

D-0000 PERSONS ELIGIBLE

The following is a list of persons eligible for Medicaid. Refer to MEDS for category and type case codes.

D-100 LOW INCOME FAMILIES WITH CHILDREN (LIFC) (formerly AID TO FAMILIES WITH DEPENDENT CHILDREN)-RELATED GROUPS

LIFC recipients including:

- those who would have been eligible to receive a check under the AFDC state plan in effect 7-16-96; and
- those who would have been eligible but who would not have received a check under the AFDC state plan in effect 7-16-96 because the grant amount would have been less than \$10.00.

Note:

Recipients of the OFS' Family Independence Temporary Assistance Program (FITAP) are "deemed" eligible for LIFC.

LIFC recipients whose eligibility is continued through the Transitional Medicaid or Child Support Continuance programs because LIFC eligibility is lost due to:

- child support collected by SES,
- increase in or onset of earnings of the LIFC qualified relative, or
- loss of the 1/3 and \$30 EIE.

Pregnant Woman **:.

**

Individuals whose income is equal to or less than the standards based on the federal poverty guidelines and pregnant for each month of eligibility (except for two months post partum care).

CHAMP Child:

****** Individuals under age 19 whose income is below standards based on the federal poverty guideline.

Deemed Eligible Child:

Individuals born to a mother determined eligible for Medicaid at the time of the child's birth or determined retroactively eligible for the month of birth. Eligibility continues up to age one.

Note:

A child born to a mother eligible only for state funded medical services is not eligible for Title XIX Medicaid as a Deemed Eligible Child. Consider eligibility as a CHAMP Child.

Foster Child:

Individuals under age 18 and placed in foster care or child care institutions by or through Office of Community Services/Office of Youth Development (OCS/OYD) or for whom OCS/OYD has financial responsibility.

Child of a Foster Child:

Individuals certified in category 08, who are not in the custody of OCS/OYD and resides with the minor unmarried parent.

Adoption Subsidy Child:

Individuals who receive adoption subsidies through either Title IV-E or the State.

C-Related LTC Child:

Individuals under age 18 in ICF/DD, psychiatric and nursing facilities, but meet LIFC income criteria.

PAP Recipients:

Individuals eligible because a stepparent's, child/sibling's, alien sponsor's, or minor unmarried mother's (MUM's) parent's income cannot be considered in a Medicaid determination.

LaCHIP:

Uninsured individuals under the age of 19 whose income is below standards based on the federal poverty guideline and who are not eligible for any other regular Medicaid program.

D-200 SUPPLEMENTAL SECURITY INCOME (SSI)-RELATED GROUPS

SSI recipients, including mandatory State Supplement (MSS) recipients and those individuals whose SSI ceased due to Substantial Gainful Activity.

Former SSI recipients entitled to extended Medicaid benefits including:

- Pickle recipients:

Individuals whose income is below the current SSI standard payment amount when the yearly COLAs are disregarded. Refer to Z-1400.

- Early Widow(ers):

Individuals whose SSI stopped because of Social Security Early Widows or Widowers benefits.

- Disabled Widow(ers):

Individuals whose SSI stopped because of the 1984 Social Security re-computation for Disabled Widows/Widowers;

- Disabled Adult Child (DAC):

Individuals who are over age 18, became blind or disabled before age 22, and lost SSI eligibility on or after July 1, 1987 because of an increase in or entitlement to Social Security Child Insurance Benefits based on a parent's RSDI record **;

- Disabled Widows/Widowers/Surviving Divorced Spouses:

Individuals whose SSI stopped because of receipt of SSA benefits after December, 1990 following a less restrictive disability test. They are unable to perform any Substantial Gainful Activity (SGA);

HCBS Recipients:

Participants in Adult Day Health Care New Opportunities Waiver, Elderly & Disabled Adult Waiver, Residential Options Waiver, Supports Waiver, or Louisiana Children's Choice Program and who meet LTC criteria.

Section 4913 Children:

Individuals who lost SSI solely as a result of the change in the definition of childhood disability. They must have received SSI benefits as of August 22, 1996, meet all other SSI eligibility factors and continue to meet the "pre 8/22/96" definition of childhood disability.

Susan Walker V. Bayer Corporation et al (Blood Products Litigation):

Individuals who lose SSI cash upon receipt of Susan Walker V. Bayer Corporation settlement funds.

D-300 GROUPS RELATED TO EITHER LIFC OR SSI

MNP Recipients:

Individuals determined eligible for the Medically Needy Program:

- Regular Medically Needy, or
- Spend-Down Medically Needy.

Retroactive Medicaid Recipients:

Individuals determined eligible for Medicaid in the 3 months prior to application.

LTC Recipients:

Individuals determined eligible for the LTC Program.

Aliens eligible for Emergency Services Only including:

- Non-qualified aliens;
- Qualified aliens otherwise ineligible.

Tuberculosis Infected Recipients:

Individuals determined eligible for the TB program.

D-400 GROUPS NOT RELATED TO LIFC OR SSI**QMB**

Individuals who are enrolled in Medicare Part A and meet financial eligibility criteria as a Qualified Medicare Beneficiary.

QDWI

Disabled working individuals who are enrolled in Medicare Part A and meet eligibility criteria as a Qualified Disabled Working Individual.

SLMB

Individuals who are enrolled in Medicare Part A and meet financial eligibility criteria as a Specified Low-Income Medicare Beneficiary.

QI

Individuals who are enrolled in Medicare Part A and meet financial eligibility criteria as a Qualified Individual.

D-500 STATE-FUNDED GROUPS

Eligibility in these groups shall not be considered unless the person is not eligible in any federally-funded group.

Foster Children

Children under the age of 18, certified in category 15, who are placed in foster care or child care institutions by or through OCS/OYD or for whom OCS/OYD has financial responsibility, but who are not eligible for Medicaid because of income, resources, or placement.

Note:

A child born to a mother eligible only for state funded medical services is not eligible for Title XIX Medicaid as a Deemed Eligible Child. Consider eligibility as a CHAMP Child.
